

Company Profile 2026

Maison Belloeil is a premium boutique consultancy specializing in turnkey outdoor furniture and architectural shading solutions for the luxury hospitality and high-end residential sectors.

- **Strategic Project Management:** Single point of contact providing dedicated, owner-led coordination from technical specification to final site delivery, ensuring zero bureaucracy and maximum reactivity.
- **Direct-to-Site Logistics:** Our streamlined supply chain features direct factory-to-site shipping, eliminating unnecessary handling. All international freight and customs clearance are managed by our global partner, Kuehne + Nagel.
- **Industrial Scalability:** We combine boutique personalized service with the industrial manufacturing power of our world-class partners, allowing us to seamlessly scale for international mega-projects.
- **Bespoke Curation:** Expert selection of materials and designs tailored to the specific climatic and aesthetic requirements of the Middle East region.
- **Comprehensive Support:** Full manufacturer warranty coordination and dedicated post-purchase support to ensure long-term project excellence.
- **Organizational Structure :** Clement Belloeil : Founder & Creative Director (Strategic Lead).
Project Management : Owner-led coordination.
Logistics & Freight Management : Global Partner (Kuehne + Nagel).
Design & Manufacturing : International Design Network (as per page 2).

World-Class Design Collaboration

- **Pininfarina Architecture (Italy):** Fusing automotive precision with architectural elegance to create avant-garde outdoor collections.
- **Nicolas Thomkins (Switzerland/Germany):** Award-winning designs focused on ergonomic luxury and structural innovation.
- **Claudio Bellini (Italy):** A master of contemporary Milanese aesthetics, blending functionality with high-end craftsmanship.
- **NG Design & Dirk Wynants (Belgium):** Pioneers in architectural shading, transforming functional elements into sculptural landmarks.
